don.

When arraigned Morton pleaded not Hunt are in New York, where they will guilty. A bond of \$2,590 was ordered attend the automobile show.

HOBART AVE. SCHOOL

CLOSED TILL JAN. 25, New Case of Scarlet rever Was Found on Elm Street.

Owing to the fact that another case of scarlet fever was reported on Wedscarlet lever was reported on wea-esday in a family on Elm street, it has been decided to keep the Hobart venue school closed until Jan, 25th. his was in the family of Tony Bruso t No. 24 Elm street, his 9 year old on being taken with the disease. The oy was removed to the Backus hos-ital

This child had not been attendin the Hobart avenue school, but went to the parochial school, but he had no been at school so as to expose any pupils there.

The town school board had been inending with the authorist of the health officer, to exclude all children from the Hobart avenue school who had been in any possible danger of infection from the Rouleau boy and to open the school on Jan. 11th, but owing o this new case and the considerable number of children who have been ex-cosed to possible infection through this no other cases, it has been necessary o continue the closing of the school util Jan. 25th, unless provision may e made with the co-operation of the parents to exclude such children of the vicinity as may have been ex-

This closing of the school until Jan secure bail from Bridgeport parties 25th will mean that the school will be practically closed for three months as necessitated by the frequent outbreak of new cases in the neighborhood. All of the cases that have developed so far have been practically confined to the area bounded by Park street. today,
The crime which Morton is alleged to have committed occurred in Frank's inn, New London, two weeks ago. Morton, it is alleged, entered the restaurant and going to rooms on the floor above the eating place, met the Fraser area bounded by Park street on the north and including Cliff street, Elm and Hill streets. girl and a companion, Lottie Usher Wilson. Morton it is said, approached the Fraser girl and informed her that

It should be hoped that the parents
of children who have been exposed
will take precautions to avoid exposure
of other children to infection in case a story was to appear in The Herald
the Sunday following, that would
show the girl's mode of living. The
Fraser girl pleaded with Morton not
to print anything about her.

Afterwards, it is afleged the girl
told of what had occurred between
heraelf and Morton to Mrs. Jones wife their own children show signs of ill-ness. Children who show sore throats and vomiting should be removed from contact with other children.

told of what had occurred between herself and Morton to Mrs. Jones, wife The school has been closed, it is tated, not so much on account of the afection spread from the school as to of the proprietor of the place, with the result that Morton was ejected from the building. Jones related the save the extraordinary expense of con-linued and repeated fumigations. tory to the prosecuting authorities few days afterwards and the state The last case of illness of an infec tious type in the school was that of a kindergarten child who was sent home

a tew days atterwards and the state police department assigned officers to the case thus getting the story of what happened from the complainant and other witnesses. The Fraser girl returned to New London from Philadelphia Monday night and Tuesday States Attorney Hull sought from Judge Greene a bench warrant for Morton's arrest. The warrant was placed in State Policeman Downing's hands to serve and he arrested Morton's to govern the REAL ESTATE CONVEYANCES Regulations Issued by the Commis-

Regulations to govern the placing of stmps on converances of real property in payment of the war tax were issued at Washington Wednesday night by Commissioner of Internal Revenue Osborn. The tax is sa and the convergence of the convergence o Morton was not compelled to spend Morton was not compelled to spend the night in the county fail but was allowed to occupy a room at a hotel in the custody of the officer until Wednesday morning.

The maximum penalty for the officer until fense charged is ten years in state's than \$500 or fraction over \$100 and for each \$500 or fraction over \$500. The regulations make it plain that where the consideration is nominal of \$1, the tax must be computed upon the actual value of the property conveyed, liens deducted and the executor becomes liable for the penalty if the proper amount of stamps is not affixed. truth of the allegiation made and to declare it to be a "frame-up."

The commissioner announced that while a register of deeds is not expected to investigate where he suspects violation of the law he should in such case notify the proper revenue collector. A quit claim deed is not subject to the tax, nor are oil leases and mining leases which convey no and mining leases which convey title. Deeds to cover gifts in a family or from individual to a municipality are not taxable.

PECKHAM TOOK LEAD

Made Score of 8260 on First Night of

The testimony was taken through interpreter Mallhowski. Jacob Marsek of Occum was the first witness. He testified that he is employed in the cotton mill at Occum and that his brother John lives with him and that Walter Sakoski occupied a bedroom at the Marsek house that was next to Second Series.

The first meeting of its second eries was held on Wednesday evening by the West Side Pinochie club with a titendance. Feckham walked off with a good lead on the opening pight.

The following were the score: Peck ham 8260, Larsen 8040, Pettis 7510, A. Jordan 7545, J. Jordan 5960, Lewis 5855, Schultz 6540, Hallisey 8370, 6185, Pendleton 5215 Under
